

Quality Policy Statement

Pure Clean Environmental Ltd is a leading, national hazardous waste management operator. The company provides a broad range of services to local authorities, industrial and commercial sectors. These services include advice on best practice, collection, recovery, recycling and disposal.

It is the policy of Pure Clean Environmental Ltd to provide customers with a professional range of environmental solutions, products and services that will consistently meet the demanding needs of customers for quality, service and performance delivery whilst meeting regulatory requirements.

It is the goal of Pure Clean Environmental Ltd to provide a level of response, service and customer care that delivers complete satisfaction in all respects.

Top management within the company is committed to:

- Compliance with the requirements of the quality management system.
- Continual improvement of the effectiveness of the quality management system.
- Continual registration to ISO 9001.
- Ensuring that the quality policy is communicated and understood throughout the organisation.
- Ensuring that the quality policy is reviewed for continuing suitability.
- Ensuring that measurable quality objectives are established.

The quality policy and quality objectives are reviewed for continuing suitability.

Luke Hatherall

Operations Director
